Sisters and Brothers,

Due to the COVID-19 Pandemic and out of respect for member safety and the rise in cases in Minnesota, our Executive Board, with the permission of the IBEW 6th District International President, has cancelled our December 15, 2020 General Membership Union Meeting. Watch your mailbox and our website for future updates and details including the status of our possible January 19, 2021 General Membership Union Meeting. For questions and concerns, please call 651-776-4239.

This is a stressful time with all that is going on in the world and the electrical construction industry. I appreciate your understanding/patience, with lots of uncertainty, underemployment, unemployment, and anxiety. If you need or want to talk to someone, completely confidential, TEAM (your union employee assistance program) at 651-642-0182 is there for us 24/7 – 365. Stay safe and please comply with the CDC guidelines.

We are collecting Toys for Tots in the front lobby of our Union Hall and Credit Union, or you can donate monetarily on the Credit Union website. All proceeds will get to Toys for Tots until December 18th. Added bonus – St. Paul Federal Credit Union will match each toy donation with a \$10.00 cash donation to Toys for Tots.

Our Main contact (Inside Agreement with NECA) is up May 1, 2021. It's not too early to start thinking about desired contract changes. It seems unlikely we will be able to hold large face to face meetings about contract changes. If you have an idea, proposed change, or just want to voice your opinion to the Rank and File Committee, please email April at apettis@ibew110.org or call her at 651-776-4239 ext. 703 and leave a message if no answer. A list of proposed items will be presented to the Rank and File Committee for consideration in advance of our fist meeting with NECA. Watch your mail and website for future information about contract negotiations.
