Sisters and Brothers,

Due to the COVID-19 Pandemic and out of respect for member safety, our Executive Board, with the permission of the IBEW 6th District International President, have canceled our December 15th, 2020 General membership Union Meeting.

Watch your mailbox and our website for future updates and details including the status of our possible January General Membership Union Meeting. For questions and concerns, please call 651-776-4239. During these trying times we appreciate your understanding/patience, with lots of uncertainty, underemployment, unemployment, and anxiety. Stay safe and please comply with the CDC guidelines.

Stay safe and healthy!

In Solidarity,

Jamie McNamara
